

KŪLIA I KA NU'U

STRIVE FOR THE SUMMIT

FDCC 2018 ANNUAL MEETING

WAILEA BEACH RESORT & SPA | MAUI, HAWAII
JULY 29 - AUGUST 4, 2018

FDCC

DEFENSE LAWYERS. DEFENSE LEADERS.

WELCOME

Adjacent to Maui's most beautiful beach sits the Wailea Beach Resort, the site of the Federation's 2018 Annual meeting. Overlooking the resort is the long dormant volcano, Haleakala, while visible in the distance is the Molokini Crater, and the Islands of Lanai and Kaho'olawe, Hawaii. It is hard to imagine a more beautiful location, or that the site was the runner-up to the Sites Committee's original recommendation of French Lick, Indiana. (True!)

Meeting in Hawaii during the summertime is a Federation first, as we embrace the Aloha value of Kulia-I-ka-nuu, meaning to "Strive for the Summit" — to be our best in all aspects of life — or in FDCC parlance, to go "Above and Beyond." Our ambition is to do just that by presenting the membership and their families a convention with memories to last a lifetime. Our planned activities take advantage of the multitude of unique historical, cultural, and natural qualities Maui has to offer. You will never view Hawaii the same way after our week together.

The kids will have no problem keeping up with the adults given all of the fun activities available on the Wailea Beach Resort property. The Nalu Adventure pool has the highest and longest water slide on the island, splash zones for the younger kids, and the Mo Bettah Food Truck serves delicious Pupus, shaved ice, and tacos nearby. After time on the beach or by the pool, the Aloha kids club and game room is the perfect hangout. Maui's only "Escape Room"— a new form of adventure entertainment— is also on site at the Wailea Beach Resort.

During the week, families can surf, play in the family golf tournament, snorkel, and paddle on the waters offshore Wailea Beach. Or you can have your pick of one of the six swimming pools on the 22-acre property. Kids and adults alike can learn to play the ukulele, make leis and shell bracelets, practice yoga on the beach, or take a class—both cooking and photography are offered.

The meeting will officially start on Sunday, July 29th with the F&B, Admissions and Sites Committee meetings starting at 7:00 a.m. (10:00 a.m. Pacific Daylight), followed by the meeting of the Board of Directors from 8:30 a.m. to 2:30 p.m. Immediately thereafter, the Projects and Objectives (P&O) committee, Membership, Development and Recruitment (MDR) committee, and Foundation Board will meet from 2:30 p.m. to 4:00 p.m.

Be ready to be inspired by our program, which kicks off on Sunday with a message of inspiration, faith, courage, and perseverance by Body and Soul author, Bethany Hamilton, who lost her left arm to a tiger shark while surfing at the age of 13. After nearly losing her life, quitting was not an option. Two years later, Ms. Hamilton won the National Women's Surfing championship and has since become a New York Times Best Selling Author, the subject of the film Soul Surfer (based on her book), a mother, and a contestant in the Amazing Race—placing third with her husband Adam Dirks! Bethany's latest project, UNSTOPPABLE, a surf documentary which will showcase her as one of the best surfers in the world, is set to release in the Summer of 2018. Bethany is the perfect opening keynote for our Maui program—The Whole Lawyer: Bringing Health, Passion and Purpose to our Profession.

Before our Sunday dine-around, we launch our social activities on the rooftop of the Wailea Beach Resort with the Mai Tais and Muumuus cocktail reception at sunset. Break out your best Aloha attire and set the tone for a great week!

On Monday, we celebrate the spirit of Aloha and our friendships with Fellowship Day, during which members can select from a rich and varied array of activities that will make you wish you had two or three such days.

Check out the Schedule of Activities and Program Schedule on the pages that follow. Highlights of Fellowship Day include a trip to Pearl Harbor, snorkeling at Molokini Crater, a Haleakala sunrise and bike ride back down, the Road to Hana, zip-lining at Piiholo Canyon, a tour of the Pacific Ocean bottom on the Atlantis submarine, deep sea fishing, and a cultural tour of Lahaina. The King Kamehameha on Wailea President's Reception on Tuesday honors the Big Kahuna Scott Kreamer and his queen Susan. On Wednesday, be sure to save enough room at your dine-around for the assortment of sweets at our dessert party. On Thursday, the FDCC Luau is a beautiful combination of art and storytelling by dance, hand, and music. Friday we party into the night with our Aloha Night in White blowout wearing white Aloha attire.

We are happy and grateful you have joined us as we Strive for the Summit! Let's make it a week of memories to last a lifetime!

Mahalo,

THE WAILEA BEACH RESORT

The Wailea Beach Resort is described as both Maui's oldest and newest resort, having just completed a nearly \$200 million renovation. The focal point, design and décor of the resort is based on its relationship with the Ocean. The property presents as brand new, fresh, modern and spectacular. The Wailea Beach Resort is among the most beautiful and upscale properties in all of Hawaii and, for reference, is immediately adjacent to the Grand Wailea and Four Season resorts.

From the adults-only Maluhia Serenity pool, the Nalu Adventure pool, or the 'Ohi oceanfront pools, there is a swimming pool for everyone. Try one each day if you like. Maui's newest great restaurant is Humble Market Kitchen, founded by the Island's legendary Chef, Roy Yamaguchi. Humble Kitchen is located off the lobby with spectacular views of the Pacific Ocean. This farm-to-table restaurant uses only the finest and freshest market ingredients.

KAPA Pool Bar + Grill is a poolside bistro featuring locally sourced products set against the backdrop of Wailea Beach Resort's stunning duo of resort pools and oceanfront cabanas. The restaurant's name is in homage to the ancient tradition of kapa, a Polynesian fabric design technique with distinct Hawaiian influences and historical significance.

The Wailea Beach Resort property actually touches the corner of the Shops at Wailea Shopping Center, which includes everything from ABC stores, Tommy Bahama, Lappert's Ice Cream, Lululemon, Billabong, Quicksilver, and for the big-hitters from Greenville, SC, Tiffany, Gucci, and Louis Vuitton.

MANDARA SPA

The Mandara Spa is located on the lobby level of the resort, overlooking the serene Hawaiian waters, Molokini crater and the Island of Kaho'olawe. This exceptional facility features eleven treatment rooms, some of which are ocean-view single treatment rooms and deluxe couple's suites for facials, body treatments and massages. A welcoming relaxation area, steam room, lockers and showers is privately located in the center of the spa; separated for men and women. The spa also offers a full-service salon with facilities for hair, make-up and nail services. Look for our discounted Federation Package specials.

LEI MAKING, BEACH YOGA, UKULELE, HULA AND SHELL BRACELETS

We have arranged for the hotel to offer a variety of complimentary activities throughout the week to include lei making, beach yoga, ukulele lessons, hula dancing, and shell bracelet making. Please look for the week's activity schedule upon check-in. The schedule will also be available at the Registration Desk.

CANCELLATION POLICIES

Hotel cancellations received within seven days of scheduled arrival will be charged two night's stay.

Convention Registration Cancellation Deadline – June 28, 2018

We realize that unforeseen emergencies and trial schedules may require cancellation and your request for a refund. Please note the following Board approved refund policy:

A refund of registration fees, less \$85 and applicable credit card fees will be given if the FDCC Office receives your written notice of cancellation on or before June 28, 2018. After this date, no refunds will be given.

Charges paid to FDCC for tours are based on the tour operator's policies and are posted within the tour descriptions. The decision to refund fees will be based upon receipt of your written notice of cancellation and the tour operator's non-refundable deposit policies. After May 28, 2018 no refunds can be made for the Private Pearl Harbor Tour. After June 28, refunds may not be available for other tours.

ALOHA FDCC KIDS

Evening programs for children 5-17 will be offered on Tuesday, July 31, 5:30 p.m. – 9:00 p.m. and Friday, August 3, 5:30 p.m. – 10:30 p.m. The programs will include dinner and activities.

Due to strict Hawaiian laws, we are unable to provide child care during the morning meetings. However, we have arranged for licensed professionals to be available for hire directly through the hotel.

GETTING TO MAUI AND THE WAILEA BEACH RESORT

Direct flights to Maui (OGG) are plentiful, or you can connect through Honolulu (HNL.) The airport in Kahului (OGG) is 17 miles, or about 30 minutes from the Wailea Beach Resort. Reserve your rental car, take an UBER or hire a car or taxi to take you to the Wailea Beach Resort.

DRIVING ON MAUI

When driving on Maui, be ready to chill. Turn on the sweet sounds of Hawaiian music and be mellow because the fastest speed limit is 45-mile per hour. There is zero tolerance for drinking and driving on the Island so don't do it.

HULA GIRL CHARM

The 2018 Annual Meeting charm is a depiction of the Hula dancer, an art form developed on the Hawaiian Islands which is accompanied either by music or chant. The Hula is an important and beautiful dance that will be a prominent part of the Thursday Luau. The dance is a form of storytelling communicated by gestures of the hand, hip and feet.

HAWAIIAN TIME DIFFERENCE

Unlike the mainland, Hawaii time remains constant year-round, meaning that during the summer months Hawaii is three hours behind Pacific Daylight Savings time and six hours behind Eastern Daylight Savings time. So those early morning meetings aren't really that early after all—but beware of those late nights!

ARTIST CURTIS WILSON COST

Curtis Wilson Cost is the quintessential Maui landscape artist, with over 500 original oil paintings to his credit spanning over a period of nearly forty-five years. He operates the Cost Gallery with his wife, Jill, from the Kula Lodge located at 15200 Haleakala Hwy, Kula, HI on the road up Haleakala. For our convention gift, families will choose from three beautiful matted prints hand-selected for the Federation by Mr. Cost himself including ocean and Maui Upcountry scenes. His paintings can be viewed at www.costgallery.com.

HAWAIIAN DRESS CODE—RESORT ATTIRE

Men need not dress in a suit or even bring a sport coat, but this is the FDCC after all and collared shirts and slacks are always a nice touch. At most of our functions, men can wear: Aloha or polo shirts; khakis, linen slacks or dress shorts; and loafers or boat shoes. Women are

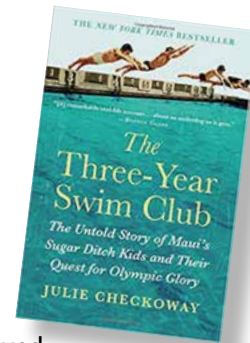

free to wear blouses, collared shirts, Aloha dresses, Muumuus, or even capris. On Friday, men and women alike will wear more formal Aloha white attire for our blowout, end of the week gala, with dancing to the tunes of the Island Kings Band.

BOOK CLUB

The Three-Year Swim Club: The Untold Story of Maui's Sugar Ditch Kids and Their Quest for Olympic Glory

Written by Julie Checkoway, this New York Times' Best Seller chronicles the most unlikely story of a school teacher, Soichi Sakamoto, who in 1937 challenged the impoverished children of workers on Maui's sugar plant to train with him for three years. They signed contracts and agreed never to be late, to train with their coach and teammates, and to never miss a practice. Their goal? To qualify for the 1940 Tokyo Olympic Games. One problem: Coach didn't know how to swim himself. Most of the children were Japanese-Americans, barefoot, and learned to swim in the muddy irrigation ditches near the sugar plant where their parents worked and lived. Unlike elite athletes competing on the world stage in that era, TYSC team members trained several times a day and for hours on end. *The Three-Year Swim Club* is a perfect book for those who enjoy sports, history, and root for the underdog. Expect a vibrant discussion led by Mary Alice Collins on Wednesday, August 1, at 10:00 a.m.

MAUI FUN FACTS

Hawaii officially joined the United States as the 50th state on August 21, 1959, and consists of eight main islands that were united under the rule of King Kamehameha. Maui's nickname is the Valley Isle and enjoys a total population at last count in 2010 of 144,444.

At the time of the Japanese attack on Pearl Harbor, Hawaii was a U.S. territory. President Franklin Roosevelt called December 7, 1941, "a date which will live in infamy." On that day, Japanese planes attacked the United States Naval Base at Pearl Harbor, Hawaii Territory. The bombing killed more than 2,300 Americans.

Hawaii is also the quarterback state, with Oregon's Marcus Mariota winning the Heisman Trophy in 2014 and Alabama's Tuâ Tagovaiola throwing the game winning touchdown in the 2018 National Championship game. Both players attended St. Louis High School in Honolulu.

The famous road to Hana is 64.4 miles long, includes 59 bridges of which 46 are one lane, and takes nearly 3 hours to drive each way.

Maui Jim's sunglasses is headquartered in Lahaina. You can even bring your broken or worn MJ sunglasses and have them fixed or new lenses installed.

HAWAIIAN LINGO

"Aloha" means hello and good-bye, but is more than a word of greeting or farewell or a salutation. "Aloha" also means a mutual regard and affection and extends warmth in caring with no obligation in return. "Aloha" is the essence of relationships in which each person is important to every other person for collective existence. "Aloha" means to hear what is not said, to see what cannot be seen and to know the unknowable.

"Aloha au ia 'oe" means "I love you."

"Ohana" means "family."

"Big Kahuna" means "Scott Kreamer."

"Mahalo" means "thank you."

"Muumuu" is a loose dress of Hawaiian origin that hangs from the shoulder and are often brilliantly colored with floral patterns. They are the preferred Hawaiian dress for weddings and formal occasions.

"Pupu" is a Hawaiian appetizer.

SCHEDULE OF ACTIVITIES

FELLOWSHIP DAY

MONDAY, JULY 30, 2018

PEARL HARBOR

4:30 a.m. – 7:00 p.m.

December 7, 1941 is a day of infamy on which over 2400 men and women were killed during Imperial Japan's surprise attack on Pearl Harbor, leading the U.S. into World War II. You will be educated and moved on a day trip you will never forget. While at Pearl Harbor you will have time to walk through the Museums with your individual audio guide followed by a private tour of the USS Missouri, where your private docent will provide highlights from the beginning to the end of World War II. (December 7, 1941 to September 2, 1945.) The USS Missouri was the location of the signing of the Document of Surrender by the Japanese Empire. You will also tour the USS Arizona Museum and take a boat ride to the sacred USS Arizona Memorial, where nearly 1000 sailors remain entombed to this day. We will also tour the Pacific Aviation Museum and the hangars housing authentic aircraft involved in the battle as well as modern jet fighters. The tour also includes the USS Bowfin Submarine Museum. The activity includes all round-trip transportation by bus

and air, transfers, tickets, and an Island style lunch at the Restaurant 604 before returning back Maui! Total cost is \$519.50 per adult and \$499.50 per child, 3-11 years old. This tour is limited to the first 50 registrants and is sure to sell out quickly. Expect to return to the hotel by around 7:00 p.m.

PI'HOLO CANYON ZIP LINE

8:15 a.m. – 2:15 p.m.

Voted the "Best Land Activity on Maui," the Pi'iholo Canyon Zip line offers two thrilling courses that provide speed, exhilaration, and world class views of the lush Island forests. The five-line course has side-by-side lines (think racing for our competitive types) and concludes with both a ¼ mile line, followed by a ½ mile line offering a birds-view over the Canyon! Minimum weight for this course is 75lbs, max is 275 lbs. The seven-line Tree-Top course is ideal for kids eight and up who are not quite heavy enough for the five-line course. The minimum weight for the seven-line is 50 lbs.; the max is 250. Minimum age is 8 for both tours. You will walk over suspension bridges, up footbridges, and down ladders on this activity so closed toe shoes and good balance are a must. Select which course you prefer on the registration form and be prepared for a day of FUN in the sun. Cost of the 5-line course is \$205 and the 7-line course is \$185.

MOLOKINI SNORKELING ON THE KAI KANANI I AND II

5:15 a.m. – 10:15 a.m. or 9:15 a.m. – 1:45 p.m.

Visible in the distance from the Wailea Beach Resort is the small crescent shaped volcano crater Molokini, which is a protected bird sanctuary offering world class snorkeling in crystal clear waters. Snorkelers will witness all varieties of fish, sea urchins, and possibly rays, white tipped shark and octopus. Unlike other tours, the Kai Kanani Catamaran launches from nearby Makena beach, ten minutes from the Wailea Beach Resort, which is closer to Molokini than the by at least 20 minutes. Expect to experience a spectacular sunrise, snorkeling during the calmest part of the day, and conclude the trip by swimming with the turtles closer to shore. A later departure time is also available for those who want to sleep in. Masks, fins, floats, sunscreen and everything you need other than towels are provided by a fun, energetic and educational staff. GoPro cameras are available to rent. Breakfast or lunch and cocktails are also served when snorkeling has concluded. You will load and unload from the water with the assistance of the Kai Kanani staff. Each family will receive a copy of "Masks, Fins and Snorkel, The Adventure Guide to Maui's Best Snorkeling," by Rich Schieber. Hotel departure for Sunrise Deluxe Snorkel is

at 5:15 a.m. with a 10:15 a.m. hotel return. Signature Deluxe Snorkel departs at 9:15 a.m. with a 1:45 p.m. hotel return. All in price including transportation, equipment, book, food, drinks and gratuity is \$220. Don't forget to bring your own towels.

SUNRISE ON THE HALEAKALA VOLCANO AND A BIKE RIDE TO THE OCEAN

4:00 a.m. – 12:00 p.m.

Adventurous types will have a blast riding specialty downhill bicycles from the 6500-ft. elevation departure point on Haleakala, the active volcano overlooking the Wailea Beach Resort. Riders will first enjoy the sunrise and start to descend before the downhill traffic begins from the Haleakala National Park. The tour is provided by the safety conscience and highly rated company—Cruiser Phils. The ride will wind through the Maui upcountry, will by-pass the town of Makawao, and end at the Pacific Ocean town of Paia, where riders will have breakfast on their own. Expect to return to the Hotel around noon. If you prefer not to bike, you can enjoy a van tour that follows and stops everywhere the cyclists do. Note: Minimum Age is 12. This is not an activity for beginning bicyclists. Participants coast down the hill and should feel comfortable maneuvering a bicycle around curves. Very little pedaling is done. There is a short, mandatory orientation at the outset of the ride that clearly defines the rules of the road and provides safety tips. What a rush! Departure time from the Wailea Beach Resort is 4:00 a.m. and return around noon. Cost is \$152 per person and includes gratuity.

DEEP SEA, BIG GAME FISHING

6:00 a.m. – 1:00 p.m.

Anglers will have the opportunity to fish in Maui's pristine waters for big game, targeting Marlin, Ahi-Ahi, Ono, Ahi (Yellowfin Tuna) and other big game fish on the Rascal. The six-hour private charter will depart from nearby Maalaea Harbor, adjacent to the Maui Ocean Center. Hotel departure is at 6:00 a.m. Transportation and lunch are included. Cost is \$225 per person.

ROAD TO HANA

7:00 a.m. – 7:00 p.m.

an amazing mixture of beauty, nature, history, and culture—and it is the only one that will take you around the Island, not just to Hana and back. Leave the driving to the experts and witness Maui like few others. \$145 per person includes continental breakfast, made to order lunch, beverages and snacks. Board a bus and head to the historical town of Lahaina and enjoy a cultural and historical tour by your own Hawaiian guide. Wear comfortable shoes as the ninety-minute tour starts at the Courthouse and Lahaina Heritage Museum next to the famous banyan tree and Pioneer Inn. We will also visit, among another things, the Baldwin House Museum, Maluuluolele Park and Waine'e Church. This tour will allow ample time for shopping and lunch our your own. If you would like to explore the bottom of the ocean without getting sand between your toes or even getting wet, you also have the option of taking a ride on the Atlantis Submarine. The boat to the sub leaves the dock just behind the Courthouse and Pioneer Inn. You will explore the depths of the ocean and even rest on the ocean floor over 100 feet below the surface. The 50-minute tour is narrated and will give you a unique perspective and appreciation for the undersea world. This is one of the top-5 rated attractions on Maui. There will also be ample time for shopping and lunch our your own. For the submarine tour, you must be able to descend through the hatch and be able to go up and down a ladder. Minimum height is 36". Cost is \$176.25 per adult and \$99.75 per child (12 and under) for the Atlantis Submarine Tour. We will depart at 7:30 a.m. and return 3:00 p.m.

At every level of complexity, there are those cases that result in a surprise outcome—a negative surprise. What are the factors that we can spot in a case—jurisdiction, nature of damages, quality of lawyering, powerful visuals, compelling emotional component, anger towards our client—that take it outside the range of reasonable value, making it a true outlier? Join Neil Goldberg, Amy Miletich, Heather Sanderson, and insurance industry guests in a comprehensive exploration of how to spot these cases early in their life cycle, evaluate them accordingly, and develop a strategy for managing the outcome.

INTELLECTUAL PROPERTY; INTERNATIONAL LAW AND PRACTICE

"Up in Smoke: Marijuana Law and Liability in IP, Employment, and Insurance"

Few areas in U.S. law are more rapidly changing, or more unpredictable, than those regarding marijuana. Depending on the state, it's legal for recreational use, for medical use, or not at all. And as far as the feds are concerned, it's all illegal. We'll examine how one might enforce cannabis-related agreements (such as for patent royalties), see how multistate employers are coping with differing state laws, and address liability and insurance issues as well. Oh, and what about a place with slightly less confusing marijuana laws? Like, say, Canada? We'll look at that too.

CONSTRUCTION AND INSURANCE LAW

“Here Today, Gone To Maui: The New York Burlington Insurance Case Has Upended the Insurance and Construction World”

The recent New York State Court of Appeals case *Burlington Insurance v. The New York City Transit Authority* held that for there to be insurance coverage under the additional insured endorsement there must be more than a simple causal link between the acts of the named insured and the plaintiff's accident. “Proximate cause” must be established before an additional insured is entitled to coverage under this endorsement. (ISO CG20 10 07 04).

The decision will affect how construction contracts are drafted, especially indemnification provisions; what additional insured endorsements are appropriate; how Insurance Companies will treat tenders under this endorsement. We will look at the endorsement from both the Owner/GC/CM and the Subcontractor's perspective.

Closing Keynote Speaker: Spencer Wells, Ph.D.

Dr. Spencer Wells, the author of *Deep Ancestry*, and the head geneticist for National Geographic's genographic program until 2015, is an expert on human diversity – the process by which humanity, which springs from a single common source, has become so astonishingly diverse and widespread. The program he started now has almost 900,000 participants from over 140 countries. He will share remarkable insights into the genetic commonalities of us all—including a discussion of the genetic pathway of a number of our individual members. Everyone in attendance at the convention will want to listen to this compelling human story of connectedness. Despite our challenging and divisive times, there is more that unites us than divides us. We end our program on this upbeat and positive message.
